adopting a multi disciplinary approach this comparative study of a selection of the arabian nights stories in a cross cultural context brings together a number of disciplines and subject areas to examine the workings of narrative it predominantly focuses on the ways in which the arabian nights have transformed as its stories have travelled across historical eras cultures genres and media departing from the familiar approaches of influence and textual studies this book locates its central inquiry in the theoretical questions surrounding the workings of ideology genre and genre ideology in shaping and transforming stories the ten essays included in this volume respond to a general question what can the transformation of nights stories in their travels tell us about narrative and storytelling and their function in a particular culture following a nights story in its travels from past to present from middle east to europe and from literature to film the book engages in close comparative analyses of ideological variations found in a variety of texts these analyses allow new modes of reading texts and make it possible to breach new horizons for thinking

about narrative this book was previously published as a special issue of middle eastern literatures entitled ideological variations and narrative horizons new perspectives on arabian nights

gender and sexuality have long held an important place in western attitudes towards the people and regions of the world from the titillating accounts of harem life in the middle east to terrifying captivity narratives of north america the erotic margin is a first attempt to pull together the large disparate and often contradictory literature and view it as a corpus schick argues that such images served to construct spatial difference and thereby helped europe represent its own place in the world during an age of rapid geographical expansion informed by the recent literature on human geography as well as feminist and postcolonial theory the erotic margin focuses on erotica and sexual anthropology as well as travel literature in which from the eighteenth century on both traveler and destination were portrayed in unmistakably gendered and sexualized terms reviewing examples ranging from the new world to india the near east to black africa and the south sea islands to the barbary coast the book reflects on why foreign women were variously portrayed as alluring or threatening foreign men as effeminate weaklings or dangerous rapists and foreign lands as sexual idylls or hearts of darkness

nights in aruba succeeds wonderfully at being at the same time a deeply serious revelation and very lively very satisfying company new york magazine andrew holleran s follow up to dancer from the dance nights in aruba is a classic novel of love shared and love concealed told with wry humor and subtle lyricism nights in aruba andrew holleran s second more reflective novel centers around the dual life that its protagonist paul leads between his fast paced out life in new york city and his extended visits to aging parents in florida he cannot quite believe what his life has become i had arrived at middle age and realized i had made no progress that the moment was past just as i would look up from a book i was reading on a saturday in summer and realize when i saw the clock that the last decent train to the beach had left already years after accepting his sexuality after

some electrifying time in the army and living on the lower east side paul is eventually bored by the hijinks of sex and drugs in the manhattan disco scene his musings and development through the novel center around his coming to terms with his homosexuality his catholic upbringing in aruba and his relationship with his parents a businesslike father and a bored commanding unfulfilled mother
